“ I offer my deepest sympathies to the family and friends of Mr. Dale Jasper Bailey. This world has so many problems that effect us all, sadly we and the government have no solutions to life's big problems; but where can we find those answers? Jehovah Gods word the Bible gives us many of those answers, as well as practical advice that we can still use even though the Bible was written over 2,000 years ago. What I would like to share with you though is the hope it provides us, and wouldn't you agree we really need hope? That hope for the future helps us to cope with the present, overcome the past and give us something to strive for so we can walk with determination toward the future. As mentioned earlier this world has many problems we know that death is only one, yet God promises that all those problems will be gone including death and that is the hope I want to share with you. Hoping you will find comfort. Isaiah 65:21-23 "They will build houses and live in them, And they will plant vineyards and eat their fruitage. They will not build for someone else to inhabit, Nor will they plant for others to eat. For the days of my people will be like the days of a tree, And the work of their hands my chosen ones will enjoy to the full. They will not toil for nothing, Nor will they bear children for distress..." John 5:28, 29 "..The hour is coming in which all those in the memorial tombs will hear his voice and come out, ...to a resurrection of life..."
