“ Barb,  
So sorry to hear about Dan's passing. It has been a long time but you both were so gracious and such good friends to me during my year of residency in Clifton. Introduced me to the mother of my two great sons.  
My thoughts and prayers go out to you and your family

“ Big "D"... I spent most days as a child in his house and on the back patio, helping Nate mow the grass and chise so we could play. Bid "D" had made enough \$\$\$ to purchase a riding lawn mower for himself and remember watching him mow on the new rider until Nate was old enough. I watched him teach his sons how to ride too. We used to have races with our riders on throughout most, if not all the streets in Clifton for years! He also helped with coaching baseball with his little boys. I miss him now, but will carry these memories. Thanks for making a difference big "D"... love you always! My thoughts and prayers are with you "my extended family". May God bless you all in this time of grieving ... with love, Mason Kemp

“ Dan and I were in the same class in grade school until I left Clifton in Fifth Grade. The smile in the picture shown here is what I remember from way back when! Even though I hadn't seen him in years, I'll always remember him fondly from our school days. My deepest sympathies to Dan's entire family.
