“ Dwayne was our brother-in-law, so we spent many happy times for holidays or special occasions. Also, visited with Dwayne at the Iroquois County Fair every year. He will be missed by everyone in the family, but will be with Chris and his family in heaven now.

“ I was deeply saddened to hear of the passing of Dwayne, a former supervisor, friend and father figure. When I joined the Sheriffs office Dwayne was my Lieutenant and supervisor but having attended Donovan schools with my dad and uncle he took a shine to me and became a friend and father figure, to not only me but other younger deputies on the department. Dwayne was always there to help in any way he could and was loyal to the department and dedicated to serving the people of Iroquois County. A familiar face to many countywide from his many years of service and as a leader in security at the annual Iroquois County Fair, he will be missed by many. It was my honor and privilege to have known him and to have worked side by side with

him. I will miss him. My thoughts and heart are with the girls and family .

“ Dwayne was a gentle giant but tough as nails if he had to be. A good family man who led a quiet simple life and one who could find pleasure in small but meaningful ways. Will live on by those of us who knew and liked him. Thanks for all the memories and may you Rest In Peace. Randy
