“ Sarah...so sorry to hear of your Mother's passing. I was friends with MaryLou and neighbors with their family for many years. Up until their deaths. I knew your Mother well. She was like a little sister I never had. So sorry to hear this news. May God be with you all.

“ I am so lucky to have had Maggie as my client and my friend. Whenever she had an appointment, I knew it was going to be a good day. We shared many stories over the years. We laughed until we cried. And she never lost her great sense of humor. Before she left, she always said, "You're the best". I almost believed her, lol!! But really, she was the best!! She will forever be in my heart!!

“ Sarah, Adam, Gracie and Ben, you were so loved by your mom and grandma. She always lit up when we talked about all of you. Sarah, you were your mom and dad's angel and I can only imagine how you miss them both. But, know that they are now angels watching over you. Love, Ann

“ How do you say good-bye to a friend of 51 years? When it is someone as special as Maggie you don't. You carry them in your heart forever. You hear her laughter, see the twinkle in her eye, remember your times together both good and bad. You treasure a friendship that stayed connected in the heart even though we were hundreds of miles apart. I will meet you at the special spot we talked about. Love you forever, Buddy. Barb
