“ Dick I am so sorry for the loss of Sue. She was always like an aunt to us when we would come up there from Tennessee we always would have coffee at Granny Rabideau or aunt Ruthie house we would always have the best of times. She told me several time she would loved to have visited us here. I wish she could have made it down here. I sure know she will be missed. I am praying for you and all her loved ones. She will always be a special person in my heart.

“ We will remember Sue as having such a zest for life. She was amazing and always giving to and doing for others. Our children have such fond memories of her when she took care of them when they were young. Dick, you and Sue always allowed the kids to be kids and gave so much of yourselves to make them happy. You two always went above and beyond. "Aunt Sue" was the definition of pure joy at all times. I can still hear her laughing while watching the kids play.
